

gap left 1e+05 Kb

gap right 1e+05 Kb

contig-0007186 280 Kb

The diagram shows a horizontal bar representing a genomic contig. The bar is divided into three sections. The leftmost section is light gray and is labeled 'gap left 1e+05 Kb' above it. The middle section is white and is labeled 'contig-0007186 280 Kb' below it. The rightmost section is dark gray and is labeled 'gap right 1e+05 Kb' above it. The bar is bounded by two thick black horizontal lines, one at the top and one at the bottom.
